

Speaker 1: Find at valleycentral.com. Many people are looking forward to getting the COVID-19 vaccine. A local long-term care facility today gave shots to those most vulnerable. The Gardens at Brook Ridge Assisted Living and Memory Care in Pharr held it's first vaccine clinic today, where people were able to get the first round of the COVID-19 vaccine. While many people are happy a vaccine is here, residents still urge people to follow CDC safety guidelines.

Speaker 2: [00:00:30] I know a lot of people don't like wearing masks. Some people can't. Mom has some respiratory issues. But maybe we all need to just suffer just a little bit to help everyone else and ourselves get through this.
