Shining Star

Kailey
Server
May 2026

Kailey has been a wonderful part of our team as a dedicated server who has also stepped in to help as a concierge when needed. Her positive spirit and willingness to help will certainly be missed! Outside of work, Kailey loves to dance, especially ballet and jazz, and enjoys catching a good movie. She is currently majoring in Exercise Science at Northern Arizona University on the pre-Physical Therapy track, working toward an exciting future in healthcare. We are so proud of all she is accomplishing and grateful for the time she has spent with us. Kailey, we will miss you and wish you all the best!
